NZ 2024 ACCOMMODATION & TRANSPORT

NZ 2024 Accommodation Offerings

For 2024 we have two accommodation options:

1. Oakridge Resort - two bedroom apartments available, sleeping two to four people
2. Shared Houses in Wanaka - four to five people sharing in a private house

Please note that both of these options require a **minimum four week booking**. If you require accommodation for a shorter period, please look up local backpackers and Airbnb.

Transport

Getting to Wanaka: Our nearest international airport is Queenstown, which is 1hr drive away from Wanaka. When flying from further afield, you will likely need to fly to Auckland first, then on to Queenstown. Transfers from Queenstown Airport to Wanaka can be arranged through the companies/websites below:

- * www.ritchies.co.nz/queenstown
- * <https://yello.co.nz/queenstown-transfers/>
- * <https://wanakatransfers.co.nz/>

Daily transport: Both Cardrona and Treble Cone are approximately 45mins drive from Wanaka. Transport up the mountain is required. We recommend renting a car for this purpose. We can help you arrange a rental car if you are staying in one of our accommodation options.
